

Portsmouth*"Realism Redefined"*

DETAIL OF "THE BREAKFAST TABLE, THURSDAY" BY MIMI VERHULST LANESE

Like her fellow Belgian, painter Rene Magritte, Mimi Verhulst Lanese is a Surrealist creating dreamy, poetic images. Potter James Chalkley crafts sleek silhouettes with an Asian aesthetic. Mark Rhodes' photos show the beauty in rotting foliage on the forest floor. All three are in a Tidewater Community College show opening Saturday at 8 p.m. with a free reception. --- Teresa Annas
